LSFHS uses the Submission of Information process for the following:

- Requests for funding from uncontracted service providers;
- Requests for restoration of funds pulled due to lapse;
- Requests for changes to programming;
- Request for shifts between funding areas;
- Requests for an increase in funding for any reason.

It is the policy for contracted Network Service Providers to provide information and justification for any of the above circumstances. LSFHS accepts submissions from providers at any time and may also initiate this process due to a specific funding concern within the system of care including the need to redistribute lapsed funding.

Submissions shall be submitted to the Network Service Provider's assigned Network Manager via email. LSFHS Management Team will review all submissions, conduct an analysis of the impact of the request and provide a written response within 60 days.
