

PATH Interview Tool OCT 2024

1. PATH Monitoring Discuss your contact methods used, where do you contact potential PATH clients?
2. PATH Monitoring Discuss your Outreach process?
3. PATH Monitoring Please describe the PATH services/assistance you have provided. (Daily Living Activities, peer support, personal financial planning, transportation, habilitation and rehabilitation, prevocational and vocational training, and housing)
4. PATH Monitoring Have you provided representative payee services for any PATH clients?
5. PATH Monitoring Are you knowledgeable about allowable PATH-funded services? (Outreach- screening and diagnostic treatment services, habilitation and rehabilitation services, community mental health services, alcohol or drug treatment services, staff training, Case Management, income support, a plan to address MH supports, assistance in obtaining social and maintenance services, referrals to other needed services, providing representative payee services, Supportive and supervisory services in residential settings, Referrals for primary health services, job training, educational services, and relevant housing services, one time rental payments to prevent eviction.)
6. PATH Monitoring Does your PATH program prioritize veterans or those experiencing health or housing disparities? * PATH programs are urged to prioritize the identified priority population. FI PATH Program manual, page 5.
7. PATH Monitoring Do you provide After-Care after a client has exited the PATH program? PATH staff may continue to work with PATH-enrolled individuals residing in permanent housing or referred mainstream resources for up to 90 days. After 90 days they must be exited from the PATH program.
8. PATH Monitoring Have you processed automatic exits? PATH enrolled individuals who have not been contacted by PATH staff for 90 calendar days will be automatically exited in HMIS from the PATH program.
9. PATH Monitoring Clinical PATH staff conduct clinical assessments to determine PATH eligibility. If not available how do other staff assess eligibility? (Through observation and conversation and this justification must be clearly documented in HMIS. Once enrolled, a clinical assessment can be completed.
10. PATH Monitoring How are contacts made? (Relationships are fostered at the pace and wishes of the individual, pursuing their goals as opposed to those of the PATH staff. Staff should coordinate the contacts to meet the PATH client's needs)
11. PATH Monitoring Are individuals referred from a state hospital, inpatient hospital, CSU given priority for enrollment into PATH?
12. PATH Monitoring Do you understand the difference between Street Outreach Project vs. Support Service Project? (By answering the question- where did you sleep last night- not meant for human habitation- Street Outreach, meant for human habitation-including a shelter- enter the individual into the Supportive Services program.)
