

## **ATTACHMENT III FINANCIAL COMPLIANCE**

The administration of resources awarded by the Department of Children and Families to the Managing Entity to the Network Service Provider may be subject to audits as described in this Attachment.

### **1. MONITORING**

**1.1.** In addition to reviews of audits conducted in accordance 2 CFR 200.521-200.521 and §215.97, F.S., as revised, the Department or Managing Entity may monitor or conduct oversight reviews to evaluate compliance with contract, management, and programmatic requirements. Monitoring or oversight reviews include on-site visits by the Department or Managing Entity staff, agreed-upon-procedures engagements as described in 2 CFR §200.425, or other procedures. By entering into this agreement, the Provider shall comply and cooperate with any monitoring or oversight reviews deemed appropriate by the Department or the Managing Entity. In the event the Department or the Managing Entity determines that a limited scope audit of the Provider is appropriate, the Provider shall comply with any additional instructions provided by the Department or the Managing Entity regarding such audit. The Provider shall comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Department's Inspector General, the state's Chief Financial Officer or the Auditor General.

### **2. AUDITS**

#### **2.1. Part I: Federal Requirements**

**2.1.1.** This part is applicable if the Provider is a state or local government, or a nonprofit organization as defined in 2 CFR §§200.500-200.521.

**2.1.2.** In the event the Provider expends \$750,000 (\$1,000,000 for fiscal years beginning on or after October 1, 2024) or more in federal awards during its fiscal year, the Provider must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR §§200.500 - 200.521. The Provider shall provide a copy of the single audit to the Department's Single Audit Unit and LSF Health Systems Contract Manager. In the event the Provider expends less than \$750,000 (\$1,000,000 for fiscal years beginning on or after October 1, 2024) in federal awards during its fiscal year, the Provider shall provide certification to the Department's Single Audit Unit and its LSF Health Systems Contract Manager that a single audit was not required. If the Provider elects to have an audit that is not required by these provisions, the cost of the audit must be paid from non-federal resources. In determining the federal awards expended during its fiscal year, the Provider shall consider all sources of federal awards, including federal resources received from the Department of Children and Families, federal government (direct), other state agencies, and other non-state entities. The determination of amounts of federal awards expended shall be in accordance with guidelines established by 2 CFR §§200.500 - 200.521. An audit of the Provider conducted by the Auditor General in accordance with the provisions of 2 CFR Part §§200.500-200.521, will meet the requirements of this part. In connection with the above audit requirements, the Provider shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR §200.508.

**2.1.3.** The audit's schedule of expenditures shall disclose the expenditures by contract number for each contract with the Department in effect during the audit period. The audit's financial statements shall disclose whether or not the matching requirement was met for each applicable contract. All questioned costs and liabilities due the Department shall be fully disclosed in the audit report package with reference to the specific contract number.

## **2.2. Part II: State Requirements**

**2.2.1.** This part is applicable if the Provider is a non-state entity as defined by §215.97(2), F.S.

**2.2.2.** In the event the Provider expends \$750,000 or more in state financial assistance during its fiscal year, the Provider must have a state single or project-specific audit conducted in accordance with §215.97, F.S.; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (non-profit and for-profit organizations), Rules of the Auditor General. The Provider shall provide a copy of the single audit to the Department's Single Audit Unit and its LSF Health Systems Contract Manager. In the event the Provider expends less than \$750,000 in state financial assistance during its fiscal year, the Provider shall provide certification to the Department's Single Audit Unit and its LSF Health Systems Contract Manager that a single audit was not required. If the Provider elects to have an audit that is not required by these provisions, the cost of the audit must be paid from non-state resources. In determining the state financial assistance expended during its fiscal year, the Provider shall consider all sources of state financial assistance, including state financial assistance received from the Department of Children and Families, other state agencies, and other non-state entities. State financial assistance does not include federal direct or pass-through awards and resources received by a non-state entity for federal program matching requirements.

**2.2.3.** In connection with the audit requirements addressed in the preceding paragraph, the Provider shall ensure that the audit complies with the requirements of §215.97(8), F.S. This includes submission of a financial reporting package as defined by §215.97(2), F.S., and Chapters 10.550 or 10.650, Rules of the Auditor General.

**2.2.4.** The audit's schedule of expenditures shall disclose the expenditures by contract number for each contract with the Department in effect during the audit period. The audit's financial statements shall disclose whether or not the matching requirement was met for each applicable contract. All questioned costs and liabilities due the Department shall be fully disclosed in the audit report package with reference to the specific contract number.
