

SAMH Funding Resource Guide

Please note that this document is intended as a helpful resource guide. However, information and resources related to funding restrictions for Substance Abuse and Mental Health (SAMH) Services are not limited to the contents of this document.

I. SAMH OCA'S AND FUNDING GUIDELINES

A. MENTAL HEALTH SERVICES - MANAGING ENTITIES

Budget Entity **60910506**

- Adult Community Mental Health
- Children's Community Mental Health

**OCA: MH000 (MHA00 & MHC00)
ME MH SVCS & SUPPORT**

STATE PROGRAM: COMM MENTAL HLTH SERVICES
(1301100000)

COVERED COSTS: This BE/OCA combination captures the allowable costs associated with providing adult and children's mental health crisis, residential, prevention, and community based covered services as defined in Chapter 65E-14.021. F.A.C.

RECIPIENTS:

AUTHORIZED SERVICES:

FUNDING: This BE/OCA combination is funded by the Community Mental Health Block Grant (CMHBG), U.S. Department of Health and Human Services, Payment Management System Letter of Credit number 7508-V627B and state funds.

**OCA: MH026
ME EARLY INTERVENTION SERVICES-
PSYCHOTIC DISORDERS**

STATE PROGRAM: COMM MENTAL HLTH SERVICES
(1301100000)

COVERED COSTS: This BE/OCA combination captures the allowable costs of services provided to individuals in need of early intervention for psychotic disorders under the Community Mental Health Block Grant.

RECIPIENTS: Individuals ages 15-36 when schizophrenia spectrum disorders are most likely to develop, including diagnoses of schizophreniform disorder, schizoaffective disorder, schizophrenia, brief psychotic disorder, and psychotic disorder not otherwise specified.

AUTHORIZED SERVICES: These services include, but are not limited to, case management, crisis support/emergency, Day treatment, medical services, outpatient-individual, outreach, supported employment, residential Level IV, Incidentals, outpatient-group, and room and board Level II.

FUNDING: This BE/OCA combination is funded through the Community Mental Health Block Grant, U.S. Department of Health and Human Services. This BE/OCA combination is 100% funded by the Federal Government.

<p>STATE PROGRAM: COMM MENTAL HLTH SERVICES (1301100000)</p> <p>COVERED COSTS: This BE/OCA combination captures the cost of subcontracted community mental health services which are unallowable for federal funding pursuant to conditions specified in Managing Entity contracts. Unallowable services include, but are not limited to: inpatient hospital services; enforcement of alcohol, tobacco, or drug laws; cash payments to intended recipients of health services; purchase or improvement of land; purchase, construction or permanent improvement of (other than minor remodeling) any building or other facility; or purchase major medical equipment; satisfy any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds; financial assistance to any entity other than a public or nonprofit private entity; any services within prisons or jails. All covered services eligible under this BE/OCA combination are pursuant to Chapter 65E-14.021, F.A.C.</p> <p>RECIPIENTS:</p> <p>AUTHORIZED SERVICES:</p> <p>FUNDING: Costs associated with this BE/OCA combination are directly charged to a non-grant cost objective. This BE/OCA combination is 100% state funded.</p>	<p>STATE PROGRAM: COMM MENTAL HLTH SERVICES (1301100000)</p> <p>COVERED COSTS: COSTS: This BE/OCA combination captures the direct cost of managing entities and subcontracted network service providers associated with disaster behavioral health services for the Crisis Counseling Regular Services Program (RSP) in response to Hurricane Helene. Allowable costs for eligible adult mental health services for Florida Assertive Community Treatment (FACT) eligible participants serving St. Johns and Putnam Counties.</p> <p>RECIPIENTS: FACT eligible participants</p> <p>AUTHORIZED SERVICES: This BE/OCA combination captures the cost of the Florida Assertive Community Treatment (FACT) Team serving St. Johns and Putnam Counties. The operating costs for the team include personnel costs, building occupancy, communications and administrative costs. Additional funds are allocated as enhancement funds, utilized for medication costs, housing subsidies, transportation and incidental services. FACT services are provided to approximately 100 individuals diagnosed with a severe and persistent mental illness who have a history of frequent hospitalization, legal involvement and homelessness. More than half have been treated in one of Florida's state psychiatric hospitals. FACT is responsible for ensuring that these individuals achieve their highest possible level of functioning, maintain stable housing, follow their prescribed medication and therapy regimens, abstain from the use of alcohol and illicit drugs, receive primary and specialty healthcare according to their needs and obtain either employment or volunteer in service to their community. FACT services must be provided in accordance with the most recent FACT Handbook as incorporated in the managing entity contract.</p> <p>FUNDING: This BE/OCA combination is funded through the U.S. Department of Homeland Security under the Federal Emergency Management Agency (FEMA). Funds will be drawn by the Department of Management Services through SMARTLINK and transferred to DCF based on approved invoices. This BE/OCA combination is funded by the Community Mental Health Block Grant (CMHBG), U.S. Department of Health and Human Services. This BE/OCA combination is funded through the Community Mental</p>

OCA: MH072 ME COMM FORENSIC BEDS – AMH	OCA: MH076 ME MH INDIG PSYCH MEDS PROG – AMH
<p><u>STATE PROGRAM: COMM MENTAL HLTH SERVICES (1301100000)</u></p> <p>COVERED COSTS: Allowable costs for community forensic beds.</p> <p>RECIPIENTS: Individuals charged with a felony and found Incompetent to Proceed (ITP) or Not Guilty by Reason of Insanity (NGI) due to their mental illness and committed to the Department of Children and Families under the provision of Chapter 916, Florida Statutes; and individuals charged with a misdemeanor and believed to be at risk of moving further into the criminal justice system due to their mental illness.</p> <p>AUTHORIZED SERVICES: Community-based treatment and training services aimed at diverting individuals from the forensic system to the mental health treatment system to reduce commitments to the Department of Children and Families under the provision of Chapter 916, Florida Statutes. Includes, but is not limited to, residential services, mental health courts, and wraparound services / incidentals. Community forensic beds (secure or non-secure) significantly improve timely access to court-ordered forensic treatment and thereby reduce the growing forensic waitlist. Community forensic treatment includes, but is not limited to admission, assessment, evaluation, treatment, and individualized services including competency restoration training. Excludes inpatient hospital services licensed under Chapter 395 or state mental health treatment facility.</p> <p>FUNDING: Costs associated with this BE/OCA combination are directly charged to the Community Mental Health Block Grant (CMHBG) Maintenance of Effort (MOE) requirement.</p>	<p><u>STATE PROGRAM: COMM MENTAL HLTH SERVICES (1301100000)</u></p> <p>COVERED COSTS: The Indigent Psychiatric Drug Program (IDP), including dispensing fees for individuals who cannot afford them. Identified contracted providers may use the IDP to order additional psychotropic medications from either the IDP warehouse or a pharmacy of their choice (for urgent needs). This funding can also be used to pay dispensing fees for individuals who cannot afford them.</p> <p>RECIPIENTS: This program is authorized to assist adults with serious mental illnesses and meets the federal guidelines for an indigent person.</p> <p>AUTHORIZED SERVICES: Assists adults with serious mental illnesses and people with co-occurring substance use problems and mental illness who meet the federal guidelines for an indigent person. IDP may be used to order additional psychotropic medications from the IDP warehouse or a pharmacy of choice (for urgent needs). IDP providers are required to actively participate in Patient Assistance Programs (PAP) for medication offered by pharmaceutical manufacturers. Medications from PAP must be exhausted before use of IDP is permitted.</p> <p>FUNDING: This BE/OCA combination is 100% State funded.</p>

<p>OCA: MH0FH ME COMMUNITY FORENSIC MULTIDISCIPLINARY TEAMS</p>	<p>OCA: MH0BN ME MH BNET – CMH</p>
<p><u>STATE PROGRAM: COMM MENTAL HLTH SERVICES</u> (1301100000)</p> <p>COVERED COSTS: This BE/OCA combination captures the cost of the Forensic Multidisciplinary Teams (FMTs). The FMTs provide a 24 hour a day, seven days per week, comprehensive approach to divert individuals from involvement in the criminal justice system as well as from commitment to State Forensic Mental Health Treatment Facilities (SFMHTFs) by providing community-based services and support. FMT providers will divert individuals from the Court, SFMHTFs, and other residential forensic programs. FMTs will provide services to individuals determined by the Court to be Incompetent to Proceed (ITP) or Not Guilty by Reason of Insanity (NGI), pursuant to Chapter 916, F.S., who may, in the absence of these services, be subject to court-ordered involuntary commitment to a SFMHTF. Many of these individuals are charged with "lesser" felony offenses and do not have a significant history of violent offenses. The FMTs will serve individuals in the pre- and post-adjudicatory phases.</p> <p>RECIPIENTS: individuals in the pre- and post-adjudicatory Phases.</p> <p>AUTHORIZED SERVICES:</p> <p>FUNDING: This BE/OCA combination is 100% State funded.</p>	<p><u>STATE PROGRAM: COMM MENTAL HLTH SERVICES</u> (1301100000)</p> <p>COVERED COSTS: This BE/OCA combination captures the allowable Behavioral Health Network expenditures for the services provided under the Florida Statewide Child Health Insurance Program that will assist children and their families to live successfully in the community.</p> <p>RECIPIENTS: Children and their families</p> <p>AUTHORIZED SERVICES: These services include, but are not limited to, supported housing, supported living, crisis support, and treatment provided in crisis stabilization units and inpatient facilities. These services provide immediate support to children with a serious emotional disturbance in acute emotional distress. These services enable children with serious emotional disturbance to live in a stable setting, function appropriately, attend school and stay out of the Juvenile Justice System. In accordance with an interagency agreement with the Department of Health (DOH), the Department of Children and Families (DCF) is authorized to establish the scope of behavioral health services, clinical guidelines for referral, service standards, performance-based measures and practice guidelines. To deliver the services, DCF will create a Behavioral Health Specialty Network comprised of member providers throughout the state.</p> <p>FUNDING: Reimbursed 100% by the Agency for Health Care Administration (AHCA).</p>

<p>OCA: MH0CN (MHACN & MHCCN) ME CARE COORDINATION DIRECT CLIENT SERVICES</p>	<p>OCA: MH0TB ME TANF – AMH</p>
<p>STATE PROGRAM: <u>COMM MENTAL HLTH SERVICES (1301100000)</u></p> <p>COVERED COSTS: This BE/OCA combination captures allowable costs of care coordination as outlined in Guidance 4 - Care Coordination of the Managing Entity contracts, available at: http://www.myflfamilies.com/service-programs/substance-abuse/managing-entities/2017-contract-docs</p> <p>RECIPIENTS: 1. Adults with a serious mental illness (SMI) or co-occurring disorders who demonstrate high utilization of acute care services, including crisis stabilization, inpatient, and inpatient detoxification services. For the purposes of this document, high utilization is defined as: a. Adults with three (3) or more acute care admissions within 180 days; or b. Adults with acute care admissions that last 16 days or longer.</p> <p>2. Adults with a SMI awaiting placement in a state mental health treatment facility (SMHTF) or awaiting discharge from a SMHTF back to the community.</p> <p>Populations identified to potentially benefit from Care Coordination that may be served in addition to the two required groups include:</p> <ol style="list-style-type: none"> 1. Persons with SMI or co-occurring disorders who have a history of multiple arrests, involuntary placements, or violations of parole leading to institutionalization or incarceration. 2. Caretakers and parents with a SMI or co-occurring disorders involved with child welfare. 3. Individuals with a SMI identified by the Department, managing entities, or Network Service Providers as potentially high risk due to concerns that warrant Care Coordination, as approved by the Department. <p>AUTHORIZED SERVICES: Outreach; Assessment; Case Management; Intensive Case Management; Crisis Support/Emergency; Incidental Expenses; Intervention; In-Home and On-Site; Recovery Support; and Supportive Housing/Living.</p> <p>FUNDING: This BE/OCA combination is 100% state funded.</p>	<p>STATE PROGRAM: <u>COMM MENTAL HLTH SERVICES (1301100000)</u></p> <p>COVERED COSTS: Allowable costs for eligible adult mental health services for Temporary Assistance for Needy Families (TANF) eligible participants.</p> <p>RECIPIENTS: TANF eligible participants.</p> <p>AUTHORIZED SERVICES: To provide interim services for TANF eligible participants who would either be required to wait on a list for treatment or have no other method of payment. Priority is given to families with child welfare involvement. These non-medical services must be in-line with the Federal TANF Legislative Goals, TANF Florida State Plan (in accordance with Florida Statute 414.1585). Eligible services include aftercare, assessment, case management, crisis support / emergency, day care, day-night, incidental expenses, in-home / on-site, intensive case management, intervention, outpatient, outreach, prevention, residential levels I through IV, room and board with supervision, supported employment, supported housing / living (non-rent) and Treatment Alternative to Street Crime (TASC). Community Support Services include, but are not limited to, income supports, social supports, housing supports, and vocational supports.</p> <p>FUNDING: TANF is the last payer for services. This BE/OCA combination is funded through the TANF Block Grant.</p>

**OCA: MS0CN (MSACN & MSCCN)
ME SA CARE COORDINATION DIRECT CLIENT SERVICES**

**STATE PROGRAM: COMM SUBSTANCE ABUSE SERV
(1301110000)**

COVERED COSTS: This BE/OCA combination captures allowable costs of care coordination as outlined in Guidance 4 - Care Coordination of the Managing Entity contracts, available at: <http://www.myffamilies.com/service-programs/substance-abuse/managing-entities/2017-contract-docs>

RECIPIENTS: Pursuant to s. 394.9082(3)(c), F.S., the Network Service Providers are expected to minimally serve the following population: 1. Adults with a substance use disorder (SUD) or co-occurring disorders who demonstrate high utilization of acute care services, including crisis stabilization, inpatient, and inpatient detoxification services. For the purposes of this document, high utilization is defined as: a. Adults with three (3) or more acute care admissions within 180 days; or b. Adults with acute care admissions that last 16 days or longer. Adults with an SMI awaiting placement in a state mental health treatment facility (SMHTF) or awaiting discharge from a SMHTF back to the community. Populations identified to potentially benefit from Care Coordination that may be served in addition to the required group include: Persons with a SUD or co-occurring disorders who have a history of multiple arrests, involuntary placements, or violations of parole leading to institutionalization or incarceration, Caretakers and parents with a SUD or co-occurring disorders involved with child welfare, and Individuals with a SUD identified by the Department, managing entities, or Network Service Providers as potentially high risk due to concerns that warrant Care Coordination, as approved by the Department.

AUTHORIZED SERVICES: The following covered services described in Ch. 65E-14.021, F.A.C, are allowable uses of these funds: Outreach; Assessment; Case Management; Crisis Support/Emergency; Incidental Expenses; Intervention; In-Home and On-Site; Recovery Support; Supportive Housing/Living. Care Coordination funds may not be used for the following purposes: To make direct payments to individuals to induce them to enter prevention or treatment services. To make direct payments to individuals to encourage attendance and/or attainment of prevention or treatment goals. To pay for the purchase or construction of any building or structure to house any part of the program. To pay for inpatient, residential, and any other covered services that are not listed above.

FUNDING: This BE/OCA combination is 100% state funded.

**OCA: MS0TB (MSATB & MSCTB)
ME SA TANF – ASA & CSA**

**STATE PROGRAM: COMM SUBSTANCE ABUSE SERV
(1301110000)**

COVERED COSTS: Allowable costs for eligible adult substance abuse services for Temporary Assistance for Needy Families (TANF) eligible participants. The purpose is to provide interim services for TANF eligible participants who would either be required to wait on a list for treatment or have no other method of payment. This is to be used to give priority to families with child welfare involvement.

RECIPIENTS: TANF eligible participants.

AUTHORIZED SERVICES: These non-medical services must be in-line with the Federal TANF Legislative Goals, TANF Florida State Plan (in accordance with Florida Statute 414.1585) and must be for TANF eligible consumers. Eligible services include, aftercare, assessment, case management, crisis support/emergency, daycare, day-night, incidental expenses, in-home/on-site, intensive case management, intervention, outpatient, outreach, prevention, residential levels I through IV, room and board with supervision, supported employment, supported housing /living (non-rent) and Treatment Alternative to Safer Communities (TASC). Community support services include, but are not limited to, income supports, social supports, housing supports and vocational supports.

FUNDING: This BE/OCA combination is funded through the Temporary Assistance for Needy Families (TANF) Block Grant through the U.S. Department of Health and Human Services.

~~COVERED COSTS: To capture the allowable costs of Medication-Assisted Treatment (MAT) and other treatment and recovery support services provided under the State Opioid Response III(SOR-3) Grant. Services may only be provided to individuals that misuse opioids or stimulants, individuals that experience an opioid or stimulant overdose, and individuals with opioid or stimulant use disorders. When treating individuals with opioid use disorders or opioid misuse, the covered services described in ch. 65E-14.021, F.A.C., are allowable uses of these funds when provided in conjunction any FDA approved medication for opioid use disorders. This includes funds used to support individuals receiving injectable extended-release naltrexone (Vivitrol) provided through the Florida Alcohol and Drug Abuse Association. Management; Crisis Support/Emergency; Day Care; Day Treatment Incidental Expenses, excluding direct payments to participants; Intervention; Outreach; Medical Services; Medication-Assisted Treatment using methadone, buprenorphine, or naltrexone; Outpatient; Information and Referral; In-Home and On-Site; Recovery Support; Respite; Supported Employment; Supportive Housing/Living; Inpatient Detoxification; Residential Levels I and II; Outpatient Detoxification. Inpatient and outpatient detoxification must be accompanied by injectable extended-release naltrexone (Vivitrol). Residential services may only be used to stabilize and treat eligible individuals during transition of medication assisted treatment. When determining level of care, individuals must be assessed using the ASAM dimension spectrum criteria to determine appropriate care level followed by documentation justifying placement. Level of care should be reevaluated at least every 5 days for inpatient detoxification placements and every 30 days for residential treatment placements. This BE/OCA combination captures the allowable costs associated with providing substance abuse detoxification, residential, and~~
